We are aware that you put your trust in us. We therefore consider it our responsibility to protect your privacy. On this page we will let you know what information we collect when using our website, why we collect this information and how we improve your user experience. This way you get to know exactly how we work.

This privacy policy applies to the services of DNA \ LTB BV. You must be aware that DNA \ LTB BV is not responsible for the privacy policies of other sites and resources. By using this website you agree to accept the privacy policy.

DNA \ LTB BV respects the privacy of all users of its site and ensures that the personal information you provide us is treated confidentially.

HOW WE USE COLLECTED DATA

Use of our services

When you sign up for one of our services, we ask you to provide personal information. This data is used to perform the service. The data is stored on own protected servers of DNA \ LTB BV or those of a third party. We will not combine this information with other personal information we have.

Communication

When you send us email or other messages, we may store those messages. Sometimes we ask you for your personal information relevant to the particular situation. This allows you to process your questions and answer your requests. The data is stored on the protected servers of DNA \ LTB BV or third party servers. We will not combine this information with other personal information we have.

Cookies

We collect data for research to gain a better understanding of our customers, so we can tailor our services to this.

This website uses "cookies" (text files placed on your computer) to help the website analyze how users use the site. The information generated by the cookie about your use of the website may be transferred to proprietary servers of DNA \ LTB BV or third party. We use this information to keep track of how you use the website, to set up website activity reports, and to provide other services related to website activity and internet usage.

Purposes

We do not collect or use information for purposes other than the purposes described in this privacy policy unless we have obtained your permission in advance.
